Afternoon cub class and Writing class can be taken as a set.

## Class introduction

Cub Class	Through various kinds of play, children can acquire basic lifestyle habits and develop their imaginative and relaxed humanity. There is also play with words, numbers and songs, so it is recommended for children who want to get used to Japanese conversation and Japanese culture.
Writing Class	This is an infant classroom class that engages in intellectual education, numbers, writing, and exercise. Learn letters, words and numbers through Japanese. It is an interactive lesson tailored to the child, and there are exercises and games, so you can enjoy learning.
